

STUDENTS: Make an 'A' on your report card and win \$25 Visa Gift Card

Wake Electric is awarding 40 \$25 Visa Gift Cards to area students who received at least one "A" (or its equivalent) on their report cards. These awards are part of a drawing held three times a year.

The deadline for the next drawing is by 5 p.m., September 20.

NOTE: Because each school district may have a different time for issuing report cards, if a student's entry misses one deadline, the entry will automatically be included in the next drawing.

To enter, students must include:

- › A copy of the report card with any "A"s highlighted
- › Parents' or guardians' names (if applicable)
- › Home address
- › Email address that is checked regularly
- › School attending
- › Telephone Number

Students in any grade in Durham, Franklin, Granville, Johnston, Nash, Vance and Wake counties may apply.

Funding for the Give us an A program is made possible by Wake Electric members through the Operation RoundUp Program. Members who sign up for Operation RoundUp elect to have their monthly electric bill rounded up to the next whole dollar. These pennies add up to major dollars for community programs.

Grant helps students share stories, create their own books

Teachers who win grants often share photos and updates with Wake Electric about their progress. One of our grant winners from last year, Cynthia Linton at Stough Elementary, shared the results of her project "Global Immersion Experience: A Project-Based Learning Adventure."

Part of the project included the students creating professionally printed books that featured their own stories. At the end of the project, parents were invited to hear their children read their stories aloud and watch them be presented with a copy of their own books. Some of the young featured artists are included on these pages.
